Paris, 19<sup>th</sup> June 2024

## **Invest Week Paris: the major investment venue from 8 October to 8 November**

This year, the five members of the Invest Weeks Paris association - AFG, AF2I, L'AGEFI, France Invest and Paris Europlace - will be holding a month of events for finance and investment professionals in Paris from **8 October to 8 November 2024**.

To find out about the first events already on the programme, visit the dedicated website: [www.investweekparis.com](http://www.investweekparis.com)

**Invest Week Paris** (IWP), chaired this year by François Robin, CEO of L'Agefi, aims to raise the profile of the Paris financial centre at European and international level, and to attract foreign asset managers and institutional investors to our country.

More generally, this initiative aims to attract high-level international personalities to Paris, who can provide food for thought for investment professionals and support the international audience for French and European financial research.

The IWP is based at the headquarters of L'Agefi, 8 rue Bellini, 75116 Paris.
